ANIK GHOSH

SECURITY ENGINEER INTERN

✉ yogicodes101@gmail.com   📍 jamshedpur, India   📞 08709554421

Profile

As a 3rd year computer science and engineering student at IIIT Kalyani, with a passion for cybersecurity and penetration testing, I bring a wealth of knowledge to any security engineer intern position. I hold the CEH|P V11 certification and specialize in web and network pentesting. In my free time, I love participating in CTFs and exploring web development.

I am confident that I have the skills and knowledge necessary to excel as a security engineer intern. I am eager to apply my expertise and gain hands-on experience in the field while contributing to the success of your team.
